RE: 12'S DIVISION RE-STRUCTURE

We have some great news for your 12's Junior Volleyball Division / Team(s). With some very good input from area coaches, we have changed the structure for the 12's division of the AJV.

Starting this spring season, the AJV 12's Division will no longer be required to be a registered team with North County Region and USAV. This change will benefit your program in the following ways:

1. **No** time-consuming paper work and registration.
2. **No** online clinics or training.
3. **No** required impact coaches training.
4. **No** team registration fees.
5. **No** coaching registration fees.
6. **No** team representative registration fees.
7. **No** player registration fees.
8. **No** line judging at events.
9. **No** scorekeepers & libero trackers at events.
10. **No** second referee duties at events.
11. A one referee system with a flip scorer by participating teams is all that will be required.

QUESTIONS AND ANSWERS:

1. **Question:** Will NCR/USAV registered teams still be allowed to play in the AJV Event Series.
Answer: Yes, they will. All are welcome, there are no team restrictions.
2. **Question:** Will non-registered teams with NCR/USAV be able to play in sanctioned events by NCR/USAV.
Answer: No, they will not. You must be registered with NCR to play in an NCR sanctioned event.
3. **Question:** Are there other tournaments that we could play in?
Answer: Yes, visit www.msfc1.org. You may also play in the QUEENS OF THE COURT. And our guess is that other tournaments may follow this format.
4. **Question:** What requirements must our team meet to play in the AJV.
Answer: Each players' parent(s) and coach sign must sign a simple waiver / release form. It is that easy.
5. **Question:** Is there a direct savings for our program.
Answer: Huge savings. A savings that may pay for all of the AJV dates and the Queens of the Court Tournament. By our calculations this may save your team between **\$400.00** and **\$500.00**.
